John, thanks again for your help in yesterday's successful kick-off?

I am eager to get to work. Who can brief me on details such as:

1. How soon may I reach out to other CASAC members?
2. When can we schedule a first meeting? Is there already a calendar and budget in place for the next few meetings, or are we starting de novo?
3. Will I have an office space or any support from EPA to help with meeting logistics (or anything else)?
4. How soon can we arrange an initial discussion with EPA staff on mission, aspirations, charge questions, and the like?

Thanks and Best,

-- Tony
